

Medical Billing Support Services Customized to Your State's Specific Opportunities and Landscape

Magnolia Pharmacy, Magnolia, CPESN Texas

Medical Billing Supports (MBS) is designed with your state specific needs in mind. As pharmacy practice advances, we want to make sure you are equipped to serve your patients in a capacity that secures the pharmacist at the healthcare provider table. Join the movement now!

Benefits for the Community Pharmacy:

- State specific opportunity assessment provided by PharmFurther
- Learn about payable codes, easy to work with payers, billing technology providers to use and more
- Medical billing education, payer engagement assistance, workflow resources to implement
- Credentialing, enrolling/re-enrolling, revenue cycle management support as needed

CPESN Medical Billing Supports Requirements
